This portion covers the Samuel Cochran Family and
something of his service in the Revolutionary War.
Samuel Cochran was my great-great-great grandfather,
he was born about 1760 in Virginia, son of 35496 William
and 35497 Jemina Cochran. His oldest daughter was Nancy 8688
who was my great-great grandmother, she married
8687 Frederick Oyler in 1808 in Franklin Co Virginia.
Samuel Cochran moved with some of his family to Sumner
County Tenn about 1818. 8687 Frederick Oyler and his brother
in law moved to Marion Co Tenn about 1814.
Samuel Cochran died in Sumner Co Tenn 1842. Nancy
Cochran Oyler died in Marion Co Tenn between 1850 and
1860. I have never found any evidence of her death
other than on the 1850 census in Marion Co she was listed
with her husband in 1850 at age 65, she was not listed
in the 1860 census, and this census showed Frederick
as appearantly remarried.

Charles Lewis and William Davies Virginia Regt.; he was in battles of Brandywine and Germantown, wintered at Valley Forge and was discharged in Sumner 1780. He volunteered at Bedford County, Va, Febr. 1781 in Col. Lynch's Va. Reft., shortly afterwards attached to Col. Samuel Cochran married 10 August 1784, Sarah Northcutt (or Norcutt); then living near Black Water River, Bedford County, Va., and she was living in Henry County, Va.

Sarah Cochran, widow of Samuel Cochran, living in Sumner County, Tenn., applied for a pension 10 May 1844, when 78 years old. Their children were:

Samuel Cochran and his family moved to Sumner County, Tennessee, in 1818. On January 6, 1819, for $912.50, he purchased 210 acres of land, on "Caney Fork of Drakes Creek of Barren River." This is in the Corinth Community and joined the previously described farm of his son-in-law, John Mattox.

Samuel Cochran, Sr. left a will dated March 8, 1835. He names his wife, Sarah, and each of his children, in his will. He stipulates that his daughter, Polly Mattox, is to have a sum of money from his estate. Samuel died January 7, 1842, in Sumner County, Tennessee. It is not known definitely where he was buried, since no tombstone has been found. He probably was buried in an unmarked grave in the Shanklin Cemetery, near Shanklin Ford of Caney Fork Creek. His son's, Daniel Cochran, and his daughter-in-law's tombstones are in this cemetery.

Samuel's wife, nee Sarah Northcutt, was born in Bedford County, Virginia, in 1766. Her parents are unknown. She died in Sumner County, Tennessee. The date of her death and the place of burial are unknown. She is probably buried beside her husband, in the Shanklin Cemetery.

THE MATTOX FAMILY

The name Mattox, according to Hugh Allen, of The Knoxville (Tennessee) News Sentinel, occurs in fifteen or twenty different forms, the most frequent spelling being Mattox, Maddox, Maddux, and Maddock.

The name derives from the Welsh personal of Madoc, meaning strength. The earliest appearance of the name is in 1142 and in Shropshire in 1272 and 1273. The Mattox families first came to America in the latter part of 1600.

A common basic amorial bearing of the Mattox family shows "Per pale gules and azure two lions passant or."

John Mattox is the first one of the family of whom we have a record. He was the father of Matilda J. Perdue, wife of Green Perdue. He was born in Virginia, but the date of his birth is unknown. We have a record of his service in the War of 1812. He enlisted from Franklin County, Virginia, in 1814. He was honorably discharged in 1815, from Richmond, Virginia. He was married to Mary (Polly) Cochran, in Franklin County, Virginia, August 5, 1814, by John Heire, M. G. Samuel Cochran was the security.

In 1818, John Mattox's family moved, with his father-in-law, Samuel Cochran, Sr., to Sumner County, Tennessee. He purchased a farm of 130 acres here, January 6, 1819. It was near Caney Fork of Drake's Creek in the Corinth community. It was the first part of his farm, which consisted of 832 acres at the time of his death. He died in Sumner County, September 15, 1839. He left a will dated September 13, 1839, leaving his entire estate to his wife, Mary.

Mary (Polly) Mattox, daughter of Samuel Cochran, Sr., was born February 22, 1796, in Franklin County, Virginia. The date and place of her death are unknown.

WILL OF JOHN MATTOX 41813

Sumner County, Tennessee. Will Book 2, page 260.

In the name of God, Amen:

I John Mattox of Sumner County State of Tennessee being of sound mind and perfect understanding do make and ordain this my last will and testament in the manner and form following, viz.
Item 1st. It is my wish and desire that my executors pay out of my estate all of my just debts.
Item 2nd. I give and bequeath unto my loving wife Mary after paying my just debts, the whole of my estate both real and personal to be kept together for her use and benefit and to raise and school my children during her natural life or widowhood. in case She should marry again, I wish the court to grant unto my executors and order to sell all my land and giveing unto my loving wife Mary a childs part of my whole estate and divide the remainding part of my estate

and wife Mary Ann, H. Perdue and wife, Latitia B, Danl W Barber and wife Sina E, A. C. Mattox, A. B. Mattox, and John Mattox a minor who sues by his next friend O. P. Butler all citizens of Sumner County, W. A. Mattox and P. M. Mattox citizens of Texas, R. T. Mattox a citizen of California and Sarah J, Eli, Mary Ann, Elizabeth W, Lucinda, and Emily Rippy minors and citizens of Missouri who sues by their next friend O. P. Butler.

Thusly complaining your petitioners would respectfully show unto your Honor that John Mattox departed this life in the year 1839 having made his last will and testament which was admitted to probate by the County Court of Sumner County. A copy of said will is here filed exhibit A as part of this petition. The court will see by reference to the will, that the entire estate, both real and personal is bequeathed to the wife Mary during her life or widowhood and at her marriage or death the property is to be equally divided between the living children of the testator. The widow has remained single since the death of the testator and has remained in the use and occupation of the property. Your petitioners would further show unto your Honor that some of the legatees have moved off and a portion of them are now making preparation to move to the state of Texas. The said Mary is also desirous of moving to Texas where she has children residing and to which state others of her children are making preparation to go. There was but little of the personal property left, after paying the debts of the testator. Prior to his death he had portioned off one of the children and since his death, the widow has been giving off to other children, as they would marry, property equal in value to the one that married before the death of the testator. There are others of the children who have received nothing and the said Mary desires to make them equal out of the personal property on hand, which will nearly exhaust the same, there being no negroes

The testator died seizin of about 800 acres of land in Sumner County, Tennessee adjoining the lands of Danl Barber and Wm. Cochran on the north, the lands of John Barber and others on the East, the lands of Eli Perdue and others on the South and the lands of John Perdue and others on the West. The children are all grown and have left the said Mary, except John who is about 19 years of age. It is wholly unprofitable for the said Mary to keep and cultivate the place and to rent it out, causes it to deteriorate in value. The testator left your petitioners his only children and heirs at law except the husbands Byles, Perdues and Barber mentioned in the captions. Severence E. married Samuel Rippy and had the six Rippy children named in the captions and she died leaving them surviving her. She had one that died in infancy, in its first year. Although a question might be raised upon the will, as to the proper construction of said will and the right of said minors to receive any portion of the estate, yet the balance of the petitioners desire that they should receive an equal share with the remainder of the parties, they taking their mothers interest. The premises considered your petitioners pray an order to sell said lands, upon such terms as to the court may seem

in the same year, Captains J. L. Carson, William A. Lovell, William T. Sample and John Turner raised companies which became part of the Thirtieth Tennessee. In the latter part of 1861, Captains Joyner and James L. McKoin raised companies, which were mustered into the Forty-fourth Tennessee. Captains C. L. Bennett, H. H. Boude, Mr. Griffin, —— Minnis, J. E. T. Odom and Baxter Smith recruited companies for the cavalry service. The first of the cavalry companies to be raised in the county was in the summer of 1861, when Captain (afterwards Colonel) Baxter Smith raised a company of eighty men. His company was attached to the Seventh Tennessee Cavalry, and he was promoted to Major of the battalion. Afterwards the battalion was consolidated with other troops and formed the Second Tennessee Cavalry. Major Smith was then transferred and made the Colonel of the Fourth Tennessee, and commanded what was called the "Texas Brigade," composed of his own regiment, two Texas regiments and one Arkansas regiment, in the last campaign of the war.

The citizens of Sumner county contributed a fund sufficient to build a handsome monument to the Confederate heroes. It stands on the grounds of the Trousdale home, now the home of the Daughters of the Confederacy. The county has erected a splendid monument to its heroes of the Mexican war, but many of the men who fought in the battles of the Revolution and the men who fell victims to Indian ferocity sleep in unmarked graves.

In 1840, when the pension list was revised, the following named Sumner countians were on the pension rolls, all of them being Revolutionary soldiers:

SUMNER COUNTY IN THE WAR WITH MEXICO.

BY HON. J. W. BLACKMORE.

Sumner county furnished three companies for the war with Mexico, 1846-7. Two of these were in the First Tennessee Regiment Infantry, commanded by W. B. Campbell. These companies were commanded by Captains W. M. Blackmore and Robert A. Bennett, the former being known as the "Tenth Legion," and the latter as the "Polk Guards." The Tenth Legion was composed of volunteers from Gallatin and its vicinity, while the Polk Guards was made up from enlistments at Hartsville and that neighborhood. These

"A lot of people look at winning a state championship as the way to end a career," Oyler said. "I haven't thought along those lines. There's only one state championship team each year."

After coaching spring practice at Flaget in 1971, Oyler became an assistant at Fern Creek in September. The next year, at age 24, he became the county's youngest head coach.

In nine years as Fern Creek's boss, Oyler's teams posted a 45-48-2 record. His 1976 team (7-5) won a district title. In 1978, Fern Creek went 9-3 and Oyler was chosen the county's Coach of the Year.

Fern Creek had a 7-3 record in 1980, its last season under Oyler, but mostly Oyler's teams were noted for their wide-open passing offense. He often put three wide receivers to one side, and had only one back or no backs in the backfield, other than the quarterback.

"Success is not measured in won-lost records, but in seeing a young man learn and grow in his high school years, and then get out in the adult world and make something of himself," Oyler said. "My whole philosophy was to build pride and discipline in the players I coached, and help make football fun for them."

Oyler left the Male program "on a real solid foundation," he said. "Our freshman team has won the county title the past three years."

"The program's better off than when Wally came in because of its

Dear Monroe:

Thank you for the latest information on last letter of Sigvert's cemetery. My wife and I made another visit and discovered that George Hershey's wife's name is Jessie C Hershey instead of the way I had it spelled with an n . We are not sure if this is one of Sigvert's Daughters.

About the courthouse, we are still working on that part of wills, etc.

I am sending you a diagram of Cave Hill and Eastern Cemeteries which are in Louisville. Great grandfather ~~Sigvert,-G~~, grandfather, and father are all buried in these cemeteries.

Still haven't heard from Russell Hannabass, enjoyed the history of Oyler Cahpel. Would like to send a gift in memory of our ancestors, but don't know to send it, do you know?

The telephone list you sent I have completed for you. You will note that Rev George Oyller's mother is on of them, Marie Oyler. However Rev George Oyler had moved to an Indiana Church. This list attached will bring almost all Oyler's together as relatives .

Family group sheets for some am holding to finish filling and will send you a copy later as some live out of town.

Enjoy hearing from you.

Sincerely

Cliff

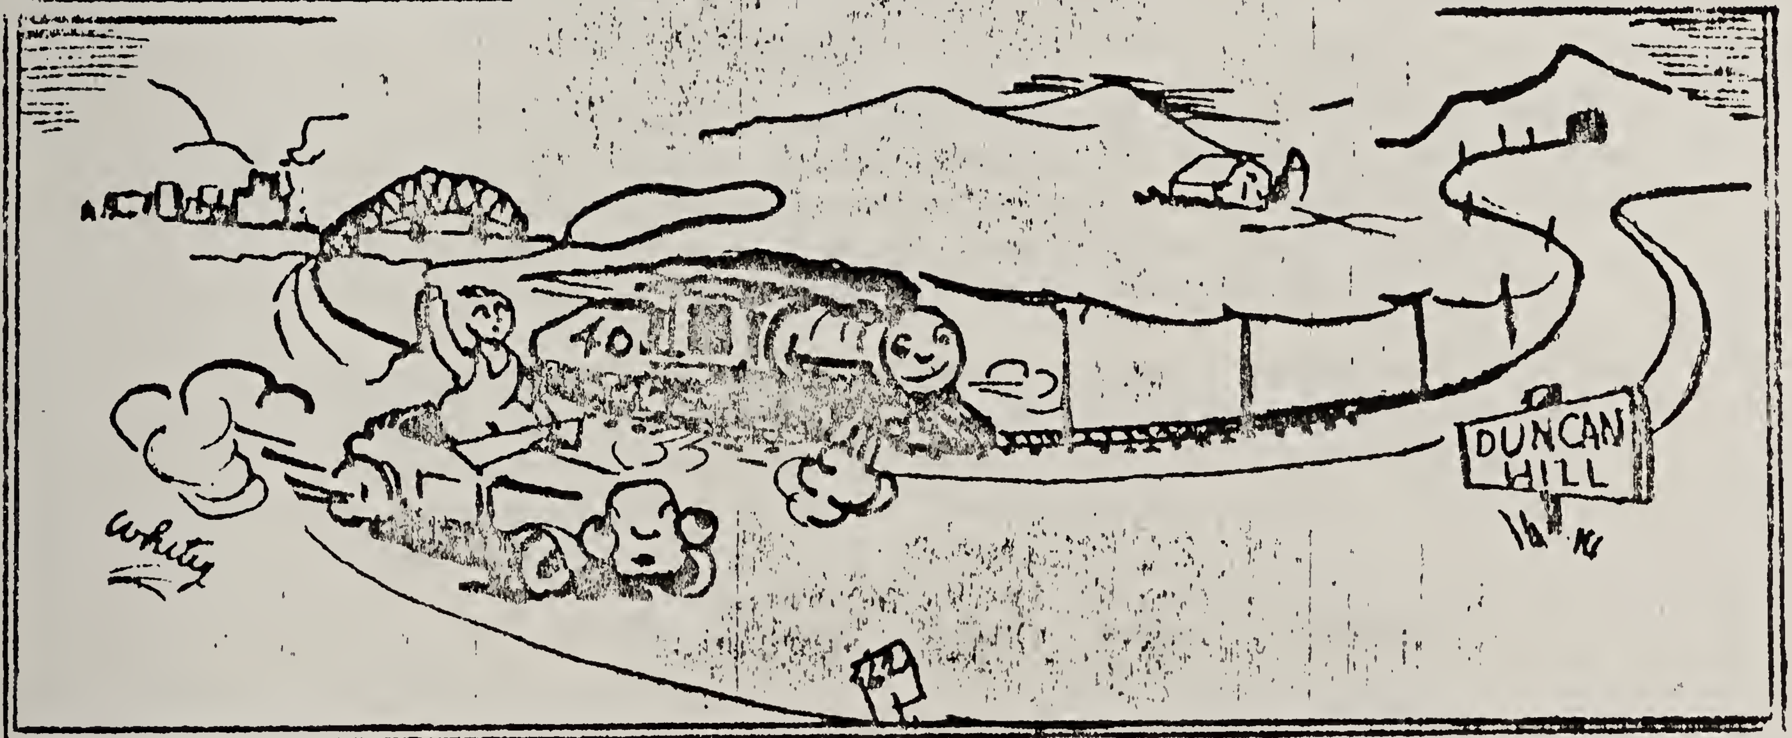
PROUD PARENT'S COLUMN: Larry Oyler, son of Storehouse Foreman Clifford B. Oyler.

Although Larry is the son of a railroad man, he doesn't seem to have any diesel fuel oil in his blood, for he aspires to become a professional baseball player, "when he grows a little." Already laying the groundwork, Larry is currently the "bright spot" on the Royal Ambassador softball team of the 23rd & Broadway Baptist Church. Last season when the Royal Ambassadors met a rival team, all church members turned out just to watch young Oyler play, as he has all the earmarks of becoming another "Pewee" Reese, according to his coach. Larry is a 5th grader at Shawnee Elelentary School; he is a bubblegum enthusiasts; and his prize possessions are a rabbit and an autographed baseball, signed by the members of the Milwaukee Braves team, a present from his Dad's boss, George E. Everson, AMP&S. We are told that Larry is fonder of his rabbit than he is of girls, but please bear in mind that Larry is but 10 years of age.

DRAMATIC LOCOMOTIVE CHASE:



The chase of the locomotive "General" by the locomotive "Texas" along the tracks of the Western & Atlantic Railroad, April 12, 1862, resulted in one of the most dramatic episodes of the Civil War. More recently, however, on Friday, April 22, 1938, another dramatic exciting locomotive chase took place when K&I Engine No.40, went AWOL., unmanned and unscheduled, heading for the hills of Southern Indiana. At 3:36A.M., that morning, while telegraphers telegraphed, dispatchers dispatched, and switchmen switched, No.40 took its throttle in hand, without a "Casey," and steamed off the Ready Track, out the "Old-Way," through the interlocking plant, across the the K&I Bridge, through New Albany, making its way to the wide-open-spaces of Indiana. During its jog into the cool dawn, No.40 completely ignored stopping at New Albany Yards to pick up a metal staff that gives it a perfect right to use the single track up Duncan Hill, leading to the tunnel and Georgetown, Indiana. Dispatcher C. C. Fears, deceased, reported the lone engine passing through the interlocker, to the roundhouse and the chase was on. Boarding their automobile, Night -

Mr. Clifford Oyler
President Victory Bible Class
23rd & Broadway Baptist Church

Dear Bro. Oyler:

Let me congratulate you upon the completion of eleven years as the president of the Victory Class. I am sure they have been happy and profitable years to both you and the class.

As a Pastor, charged with the over-all organization of a Sunday School, I have come to recognize the tremendous value of a good class president. The President can be the difference in success and failure in a Sunday school class. I'm sure that much of the success in the Victory Class can be attributed to your personal devotion to your task in these years.

May God continue to bless and use you in His Kingdom's work is my prayer for you on this the "Clifford Oyler Day".

One family lives in Lexington, Ky.

Sigrerts daughter Mary Oyler Constance is the owner of lot No. 11 next to Sigrert. Both are 12 graves each and Eastern Cemetery had Sigrert's & wife Sophia E. buried on both lots No. 11 & 12.

The Sophia E. Oyler buried on Mary Constance ot No. 11 is Sigrerts son George W. Oyler's daughter ophia E. Oyler born 1883 died 1901 at 18 years of age.

I am sending you the new sheets of lots No. & 12. [redacted] Also pictures of graves & sheets rom each Cemetery showing buring places.

My wife & I are planning to go to Frankfort, Ky. one day this summer to check on some of the Oyler's we can't find any information here.

Wish we were free to come to see you sometime, but it is impossible as long as we have to take care of Wife's Aunts.

Hope you & family are fine. If you ever get to Louisville be sure to look us up.

Sincerely,
Cliff.

When Your Funeral Comes

This past Monday I attended the funeral of Ray Oyler, a deacon at Victory Memorial Baptist Church. He was the brother of Clifford and Wilbur Oyler of our church, and Mrs. Oyler is the sister of Mrs. Tom (Louise) Stowe of Beechmont.

While sitting listening to Louis Walters, a former pastor, bring the funeral message my mind began to follow different thoughts. Most of the time I preach funeral sermons and don't sit in the congregation to meditate upon what is taking place. As I listened Bro. Walters made several comments that turned his words into startling reminders that I too would some day be the object of such a service.

As the scripture was being read there came three words that fell into a thought pattern for such a time "when your funeral comes".

1. **Assurance** - We do not know the length of our days, or the security of our possessions. We all know that "it is appointed unto man once to die, and after that the judgment" (Heb. 9:27). "For we must all appear before the judgment seat of Christ that everyone may receive the things done in his body, according to that he hath done, whether it be good or bad" (2 Cor. 5:10).

When my funeral comes I want the message to be one of assurance that I have trusted Jesus as my Saviour and it is a time of Thanksgiving for his gracious provision for life and hereafter.

2. **Admonition** - A funeral message ought to carry a word of admonition to the family and friends. It should be a call to repentance and renewal to service. It should be a warning of the brevity of life and the length of eternity. The danger of dabbling in sin will separate one from God's protection and provision.

The admonition should be "Watch therefore, for you know neither the day nor the hour when the Son of Man cometh" (Matt. 25:13). "Therefore be ye also ready . . ." (Matt. 25:44).

3. **Acclamation** - When my funeral comes I want Jesus to be acclaimed as Saviour and Lord of my life. He is the provider, protector, and personal friend. He will bring comfort and strength to my loved ones and a witness of God's love to the weak. Someday each of us will face the experience of a funeral. When yours comes, I hope others will find it a time of assurance of Christ's salvation, an admonition to live by Christ's example, and the acclamation of his redemptive and triumphant grace.

TO WHOM IT MAY CONCERN:

The Vital Statistics Law of Kentucky, providing for and legalizing the registration of births and deaths, was enacted by the General Assembly of 1910, and became effective January 1, 1911.

The Office of Vital Statistics has no records of births or deaths occurring prior to the above date except:

1. City of Louisville, local birth records from 1898 to 1911 and death records from 1866 to 1911.
2. City of Lexington, local birth records from 1906 to 1911 and death records from 1898 to 1911.
3. City of Covington, local birth records from 1896 to 1911 and death records from 1880 to 1911.
4. City of Newport, local birth records from 1890 to 1911 and death records from 1884 to 1911.
5. Delayed records of birth for persons born before 1911 which have been established by affidavits and documentary evidence.
6. Marriage and Divorce records since June, 1958.

The fee for a search of all the above records is $4.00. However, the records are far from complete and many times the record sought is not found. The fee includes a copy of the record if it is on file.

The Kentucky Historical Society, Frankfort, Kentucky, has collected and filed some birth and death records that were gathered in various counties of Kentucky under an act of General Assembly of 1850. We are advised that these records cover a period from 1851 to 1862, when registration under this Act was discontinued. The law was re-enacted in the mid 1870's but was poorly administered with many counties not participating or dropping the program after a few years. These records are also in the Historical Society Library.

To speed the response to any future requests please use the enclosed application form.

(copy of letter received Oct 7, 1983 from Clifford Oyler)

Dear Mr Oyler:

It was nice to hear from you again.

Since receiving your letter, I have checked with one of my first cousins who had the family bible on their side.

8068

She said Signert Oyler is our great grandfather. The family bible is in the hands of William K Oyler's wife. William is the oldest son of my father's brother Edward Oyler Jr, but is deceased and his wife does not want to give the bible to anyone in the family. We have heard she is in a home in Ohio. If by chance she should give it to her son who is a dentist in Tampa Fla the family might be able to get it back. 8079

In 1977 I wrote to you saying my father was Stetson Gordon Oyler, his father was Edward Oyler Sr. and his father was the Signert Oyler you mentioned.

In that letter I stated Seth Oyler was our great grandfather, that was an error, to my knowledge there is no Seth. After visiting my uncle Ed Oyler, that was the name I thought he said, but after receiving your last letter the name Signert came to me as being right. I am sorry for the mistake.

This Signert had 12 sons and one of these sons is my grandfather Edward Oyler. The others we don't know anything about. We believe our great grandfather had brothers in Virginia, but do not know who they are at this time without seeing the bible.

Maybe one of his brothers might be your grandfather Daniel Oyler.

If we can keep working at this we might find out we are related.

If you ever come to Louisville look us up. We are unable to travel at this time as we are taking care of my wife's two elderly aunts who are 81 and 92 years of age.

Write anytime and we will do all we can to find out something for you.

Sincerely

Clifford B Oyler

Oct 28, 1983

Dear Cousin Monroe:

8007

We have found great grandfather Sigvert Oyler's grave and the big stone has the correct spelling of Sigvert instead of Signert and the date of birth on the stone is 1812 and death 1904.

His wife Sophia E Oyler's birth is 1813 and death 1883. However she was buried in 1901 in Eastern Cemetery, evidentally having been moved from another cemetery.

We believe the names are his sons and daughters, but haven't had time to check. As you see there are twelve graves on this lot and 13 people buried. Called one of the Hershey's and she said that the wife of George N Hershey requested in her will that she be buried on top of her husband, will send you more information on the children as I get it.

I am certain, Mary Oyler Constance was Sigvert Oyler's daughter and probably the men are his sons.

The lady I called said she was sure all buried on the lot are related to Sigvert.

8267

Have written to Russell Oyler Hannabass beforefinding Sigvert's grave and asked him if he had any information he could give me. Have not heard from him yet, so guess I had better drop him a note and let him know we have found Sigverts and Wife's graves

Sincerely
Cliff Oyler

Dear Monroe:

Endlosed are copies of my family, you and I are connected through my greatgrandfather John Oyler, brother to Daniel and Frederick.

9132

My grandfather was Valentine Oyler # 4, who started the Oyler Chapel

you visited. Cleo Greggs gives accounts of Frederick Oyler, who went to Tenn. I was glad to hear you were with Swift and Company. I have been in the meat business for 47 years. My father was in the grocery business all his life, I started in the Old City Market, here in 1936. Went into business on my own in 1946, am now almost 65 years old and hate to quit work at this time, as I have fair health. I have had 4 uncles in the meat business, before it has been a family following.

You may have noticed the Wysongs and Oylers relations who came to Penn. and Virginia, about the same time and the number of Valentines on each side. My great great grand father on each side was named Valentine,as well as my grandfather. We have a Wysong reunion each year, this year was in Kansas city in October 1981. Some 290 families gathered there. I was surprised to learn it was as many Wysongs and Oylers in that prt of the county,spread all the way to the west coast.

In 1982 the reunion will be held in Fincastle Virginia October 1,2,and 3. Keep this in mind and plan to attend, I would like to see a good turn out of Oylers there.

In 1983 the reunion will be in Penn., York and Lancaster. The Wysongs families have been real active looking up the Oyler and Wysong families.

I was Born in Franklin Co about ½ mile down stream from Valentine Oylers old home on Gills Creek, Moved to Roanoke in 1926.

I am planning to put stones at my grandfather at Oylers Chapel, and at least a marker at Valentine #2 on Gills Creek, just keep putting it off.

I am planning a bus tour at the next Wysong reunion at the Oyler and Wysong properties. I visited an oldfarm in Gettysburg Penn, Thomas Oyler lives on the farm that has been in the Oyler name for 237 years, oldest farm in the state of Penn. I think he came from Jacob Oyler side.

Do you have the books by Cleo Griggs and Dr Eiler of New Mexico. Dr Eiler has a real good book, I would love to have a copy. When you are ready please advise and I will be glad to send you the cost. Please call me or write me at 703-343-2518. When ready, and if and when you are back in Roanoke, please contact me, If I can help you in this area, I will be gland to help.

Yours

Russell Hannabass

Dear William,

Hi, so good to hear from you, and I want to thank-You for sending my address to the Oyler Family Heritage. Above you'll find my lineage to Conrad. Your Gr-Gr. Grandfather, Fredrick Oyler was my Gr-Gr-Gr-Grandmother, Elizabeth Oyler's brother. I don't know Audie Buckner, but I will write to her. She could be related to my husband's family.

My dad is Edward A. Brown 34518

he's from Al. He's a Baptist Minister. He was in the Air Force during the Korean War and moved to Detroit, Michigan after the war because there were no jobs in Al. He had a Cousin living there in Mich. That's how I came to be born in Mich. I am the Oldest of 5 Children. If there is anything more I can send you just let me know, and I'll get it all together for you. Hope to hear from you again sometime.

HISTORY OF OYLERS CHAPEL
UNITED METHODIST CHURCH
(Formerly Rehoboth)

Oylers Chapel was formed from a meeting place known as Rehoboth, a log building located on the Scott farm on Indian Run Creek about one mile from present location. Records from Rehoboth indicate Mr. Valentine Wysong Oyler was class teacher with 60 members on roll. Records also indicate that in 1865 Amon Oyler was attending the Rehoboth class. Mr. James Mitchell was Presiding Elder and Mr. B. S. Turner was Pastor in Charge.

Mr. V. W. Oyler was a carpenter and miller as well as a churchman. He was born in 1829 and died in 1902. In 1885 five men signed a pledge to build a church which was named Oylers Chapel since Mr. Oyler was leader of the group.

Records state that the following men pledged to pay certain amounts (as indicated opposite their name) to build a church in Franklin County.

Mr. V. W. Oyler
Mr. E. V. Goodman
Mr. W. J. Bowie
Mr. Butterworth
Mr. C. T. Robertson

Lumber and shingles were donated. Mr. V. W. Oyler gave one year free labor. Mr. W. J. Bowie gave one acre of land for the Methodist-Episcopal Church North located on Lynville and Oyler Road, two miles from the old Lynville Church. The survey was made in 1885 by Mr. J. E. Lewis. Attendance began in 1886 in the new Oylers Chapel with a Sunday School Class of 58. The present church building has served many families for nearly 100 years and continues to do so.

If you wish to contribute to the upkeep of Oylers Chapel, a gift in the memory of your family who attended this church would be appreciated to help keep this landmark going.

Dear Mr Oyler:

I am returning the family group sheets on my Oyler line.

Please! If you have received any sheets from descendants of John Oyler & Elizabeth Wysong, or have any addresses of descendants, Xerox them for me. I will promptly reimburse you. Filling these sheets out made me realize how little I know of my Katherine Oyler Halleys bros. & Sisters. Will be so glad to have anything you have on John & Elizabeth's children. Will reimburse you pronto for Xeroxing & Postage.

Im thinking about having an 1812 war Marker put on John's tombstone.

Sincerely,

Catherine Schorn

I received a letter from Bonnie Jean(Oyler)Brauer of Phoenix Az who is an 8th generation descendant from Conrad Oyler, also my ancestor. Bonnie Jeans great great great grandfather was also mine Valentine #2 Oyler who was born in Penn about 1754 and died in Franklin County Va in 1825.

She said one of the important dates in her life was in 1962 where she road a Caboose from Idaho Falls to Yellowstone Park, a trip that only trainmen had made, she said that it was a very lovely trip.

She said she met her husband David Brauer in 1963 at the Grand Canyon, she attributes much of her growt h to him. She says she took up the playing of the oboe, and she also plays the piano, but the oboe is the jewel of her heart.

She also says that the Lord Jesus Christ is very important to her and she had read the bible through 8 times.

She and her family are appearantly Epicapalian, tha t is her mother and father were. The were bron in Lincoln Nebrasks his name was Eston W Oyler hedied in 1970 and he was a chielf clerk for the Santa Fe Railway.

Her mother Mary Jane McDonald was born in Chicago in 1920.

Bonne Jean has sister Robin born 1943 in Takoma Park Md, Sister Mary Colleen born 1945 in Chicago and brother dDennis Eston born 1950 in Alexandrea Va. Bonnie Jean was born 1941 in Chicago.

She informs me that her grandfather John T Oyler killed himself between the graves of his 2 baby daughters who died of diphtheria , he was a publisher of a small newspaper.

8517

Bonnie Jeans father as said above was chief clerk for the Santa Fe RR until he became ill and he had experience of working as a railroader with Senator Hayden of Az.

Bonnie Jean has a degree in Elemtary education from Madison U of Va

This Oyler family begins with Valentine Oyler the 3rd who was a brother of my great-great grandfaher Fredeck Oyler.

Valentine was born they think in Frederick Co Maryland about 1783

His family runs like this:

Valentine Oyler	1783	1866	8276
John Oyler	1831	1914	8512
John T Oyler	1871	1917	8517

Dear W.M. July 14, 1982

Certainly surprised and gratified to receive your letter of last month regarding the Oyler genealogy.

Undoubtedly we are in close lineage with Valentine.

Enclosed are some of the records I have secured. You will find them interesting. The papers from the Utah Mormons comes from a Ned Oyler in Eagle, Colorado.

Thanks again, and I'll keep you posted of any additional information.

Sincerely,

Cecelia Wysong Burrows of 1242 Amidon, Wichita Kansas, 67203, is a Descendant of Catherine Cyler and Henry Wysong.

Catherine was a sister of my great great grandfather Frederick Cyler.

George Wysong and Elizabeth Woodling Wysong moved from Fincastle Va appearantly to Monticello Indiana, here is their line:

Hnry Wysong 8642 married Catherine 8641 Cyler, ~~BORN 15 OCT 1794~~ daughter of Valentine Cyler

George Wysong married Elizabeth Woodling 8653 - 8654

SON

Ephraiam Wysong married Clara Reynolds C56463 8659. 42351

George J Wysong married Janie T Stevens

Cecil D Wysong married Josephine Murphy

Celcelia Wysong married John Burrows

This information came after my first Cousin Earl Cyler attended the Wysong- Cyler reunion held last October 1982 at Fincastle Va, Earl met Cecelia Burrows at eh meeting, and gave me her address, I wrote her and she sent mea rough sketch of her family line, and I am suppoedd to receive the full family line.

Dear William,

Thanks for all the great family material! I haven't had an opportunity to go through it and work up a draft to include my line yet, but I will soon. You have done a lot of work and so have your kinfolk! I wanted to send you a check for your * expenses (plus a coke on me) before I forget it. I will cite my sources when I do get the data incorporated.

You mentioned that someone had written a book or two on the Oyler family. I'd be interested if it delt with our ancestors!

I'll be back in touch just as soon as I get this information ~~you sent~~ included. I'll send you a copy so you can have a copy of the material I have.

Thanks,

Walt

Walter Alley Russell

Dear Monroe,

9650

I tried to contact Ned E. Oyler of Eagle, CO, but my letter was returned. I checked your listing of Oyler contacts throughout the U.S., but did not find Ned listed. Do you know how I can get in touch with him? It was just a wild hunch that I wrote him at the 1981 address; it failed, but I tried! I'm very interested in that "bed-sheet" family outline that we were discussing! If its in German, I'll get it translated.

I also wrote Elizabeth Bell of Sequatchie, TN, but she turned my letter over to Alma Swafford's husband. He wrote me and asked just what type of information I wanted, so I sent him an outline similar to the one I sent you. I don't think he's into family history as you and I are! If he doesn't send all the information I'd like I'll get you to copy Alma's family sheets for me. I'll let you know. [I should have asked you to copy them in the first place and save a bunch of postage & writing!]

I'd like to write Karl Euler of Germany, but I'm undecided at this point. Ned mentioned in his 1981 letter that Karl was writing a book on the Euler family; if so I'd like to get a copy. But, my first task is locating Ned because I feel Ned might have a copy of the book as well as the "bed-sheet" family outline and coat of arms.

I sure do appreciate all the help you've given me, and if I turn up anything at all on our Oyler family I will get the information on to you at the earliest time.

Sincerely,

Walt

Dear Monroe,

I added your material to my kinfolk's book and I'm sure pleased with it. I do have a few questions that I need help on:

1. Ned E. Oyler of Eagle, Colo., indicated in his letter that he thought he would be able to get our Oyler pedigree back to 1447 through a friend/relative in Germany. Have you heard any more about that; it didn't appear to be included with your material. I'm very interested in that "bed sheet" family tree outline! I will write Ned if you feel that it'd be alright.
2. Has anymore been heard from Karl Euler of Maar, Hessen, Germany? He seems like a very likeable person.
3. Do you have the maiden name of Conrad Oyler/Euler's wife, Margaret?
4. Was James Monroe Oyler born on May 15 or 16? ?
5. I spelled your great grandmother's name as Jemima; that's the way you spelled it in your 1984 letter.
6. I sure appreciate the information on the Arendt/Arndt family. Do you have any contacts or knowledge of anyone working on the Arndt family that I might contact?
7. I would like to write Alma Swafford's children to see if any of them are carrying on Alma's hobby before I ask you to copy the 70 or so pages she sent you. I'll let you know.
8. I haven't written Elizabeth Bell of Sequatchie, Tenn., yet, but will within a couple of days.
9. Were you able to confirm that Peter 1280 Arndt married Catherina Oyler, the daughter, and third child, of Valentine (Sr.) to intermarry with the Joseph Arndt family? Joseph Arndt's Will says that two of his daughters married into the Oyler family, but he didn't say who his oldest son, Peter, married. If this is so then this is the second instance where I have cousins that three children of one family married into the same family!
10. I appreciate the Oyler Coat of Arms picture that you sent. Do you have a picture showing the various colors of the shield and crest? It appears, from what little I know about heraldry, that the Oyler person to whom the Arms was given was a Baron and was involved with wine making. I'd like very much to determine the Coats of Arms for each of my allied lines [if applicable]. I have at least three Coats of Arms for Russell families, but I can't connect with any of them!

I will let you know if I can develop more on the Oyler and or Arndt line; hopefully, that will be within the next month or so. I'm axious to learn the answers to these questions as they will determine my next course of action.

Sincerely,

Walt

a change on Elizabeth [ca] date of birth. I changed it to coincide with my data on her, and it blends better!

In the draft I have tried to describe the original Oyler name as well as write a narrative about each descendant as I know them. I'd like to determine the country from which it came; I know Conrad came from Germany, but did the Oyler [and various spellings] originate there? For example, my Russell name came from England via Scotland, but it originated in France! As I learn more about our early ancestors I will include it. I already know about the Seminole Indian Wars [I & II] as my Russell and Alley kinfolk also fought in them, so I'll try and add some data about that with my Oyler line.

I was raised in Jackson Co., Ala., and most of my early ancestors lived in Marion and Franklin Counties in Tenn., before they moved into Jackson County. I'm familiar with most of Marion County, but didn't get into genealogy until around 1972. Now, that I'm retired after spending 28 years in the Air Force I have time to work on our family histories! The library in Jasper was very helpful to me along with the documents in the courthouse. I'm looking forward to the opportunity to return there and do some more research.

I've written a couple of members of the Marion County Genealogical Society, but my letters must have gotten lost; I'm glad my letter to you didn't!

Please keep the inclosed material if you wish, but I'd like to know about any changes so that I can change my records accordingly. After I get our lines established I'll send you [and anyone else] a copy. I am in a fortunate position; my wife and I established the "Russell Tax Service" here in Panama City, but she's the "Pro" and operates the business [I'm to gofer]. She has a computer which I have access to! So I have the opportunity to work on our family trees much better and the only expenses are those used in postage.

Once again, thank you for the material and I look forward to hearing from you. With the information you sent I can begin doing some research and writing some letters. By the way, I'd be happy to reimburse any xeroxing costs if you have some material that is too bulky to copy in pencil. I will keep you posted on any material that surfaces.

Sincerely;

Walt

Dear Monroe:

Thanks for the quick response to my letter; I sure appreciate it. The information you sent really gave me a boost in establishing my Oyler line and identifying more cousins. I have included the information in my family tree already, but there are some blanks that I'd certainly like to fill in. I took the time to add the Oyler line to my Personal Ancestor Chart and I'll send you a copy of that. From the charts you'll be able to see the information that I'm missing.

Do you have any leads to the Arndt family line? I've never been able to get any clue on that particular line? I'd like to research that line also.

There are a few questions about the material you sent that you either know or may have in your files. I'll cover those:

a. What was the name of your great grandmother Genima or Jemima ? Smith? You have both names listed, but in separate instances!

b. It seems that Conrad's son, Valentine 1223, Sr., had three kids that 1278 + 1263 + 1279 married into the Arndt family. There was [our common ancestor] Valentine, II, who married Mary Arndt; Val's brother, Jacob, married Barbara Arndt; and their sister, Catherina, one of the twins, married Peter Arndt.

c. I could not make out the maiden 12071 name of Dorothy's mother; was it ~~Siefk~~? Siefken

d. Could you send me the addresses of the Oyler people we're related to that live in Jasper or Marion Co.? [Elizabeth Bell; Carrie McGrew; and Alma Swafford.] I'd certainly like to write them and get their lines established. The next time you are in contact with them, please mention that you are in contact with me.

e. I'd like to include your complete line back to your Frederick if possible. In addition to providing me the names of my cousins, it will be a source for other Oyler researchers in the future. I'm hoping I can establish the lines of Valentine, II's, other descendants, but for now, hopefully, I can get the descendants of your Frederick established. I'd like to do each of my lines in the same manner as I've done on my Russell and Alley lines, e.g. locate my earliest ancestor and identify each of his descendants through succeeding generations. I've been doing this on these two lines since 1972 and I've been somewhat successful as you'll see on the PAF Charts I'm including.

I have other questions that hopefully we can resolve real soon! I'll get some of them to you in my next letter! In the meantime, I'd like to explain what I've done with the material you sent. I made a draft of the Oyler family as I now have it and made

Dear Monroe,

It is so exciting to find another Cousin. Thanks for sending your family information.

I received a letter dated Nov. 7, 1987 from Euline Hewitt Harris, Rt 1 Box 224, Whitwell, Tennessee 37397 and she advised that her dear friend, Mrs. Elma 22346 Swafford died this year (1987). So far the family still holds all her records. Euline is hoping to get copies for their Genealogy Society. The Society meets once a month at Whitwell Library and are trying to get all the records they can in hopes of helping others who are researching in Marion County. You might like to contribute your lines.

I have purchased the Marion Co. Cemetery Book and have ordered a Marion County History Book which will be published late 1988. If ever you need any information from these books I will be more than glad to copy it for you.

I am going to write Carrie McGrenborn. Perhaps we can share some same information.

Thanks again and Best of Luck.

Sincerely,
(cousin) Virginia Hayes

Dear Cousin Alma:

When I visited with you, Carrie McGrew and Elizabeth Bell about 2 years ago, you told me that you and Carrie were great great granddaughters of Elizabeth Oyler Dame.

I now have been able to make contact with living descendants of Valentine and Mary M Arndt Oyler's children: There were total of eleven children born in Penn, Maryland or Virginia between 1781 and 1800. Their names were John1781, Valentine 1783, Elizabeth 1784, Frederick 1785, Catherine 1786, Jacob 1788, Daniel 1792, David 1794, Mary 1796, Lewis 1798 and Abram 1800.

I have connedted with descendants of John, Valentine, Elizabeth(you and Carrie) Frederick(me and Elizabeth) Daniel, Lewis, and that is it for the present.

I would like to put into my records your line starting with Elizabeth Oyler 1784 and John Dame, down to you and Carrie. If you don't want to its not necessary to put all the brothers and sisters of ea h generation just you ancestor, like this:

Frederick Oyler 1785	Elizabeth Oyler 1784 John Dame -1785
Daniel Oyler 1816	George Dame 10-12-1825
James Monroe Oyler 1843	John Dame 6-1-1852
Lewis Daniel Oyler 1877	Maude Dame miller 27-12-1878
W. Monroe Oyler 1914	E~~A~~lma Elma miller Swafford 6-19, 1915

I am enclosing a stamped envelope so you can return to me, and if possible return one on Crrie McGrew also.

If there is any thing you would like that I might have please let me know.

Sincerely

Monroe

HON. GEORGE W. DAME has spent his entire life in the neighborhood which is now his home and is one of its most honored and valued representatives. He was born on the 10th of December, 1825, and is a son of John and Elizabeth (Oyler) Dame, both of whom were natives

born 1786

of Virginia. The family is of German origin, and the grandfather, George Dame, who was born in Germany, came to the new world in colonial days and served through the war of the Revolution. By trade he was a brick and stone mason, and was a very earnest and consistent Christian man, whose membership was probably in the Methodist Episcopal church. His death occurred in Virginia.

8551 John Dame, father of our subject, was born in Bottetourt county, Virginia, 1785 and DYLER 8550 his wife in Franklin county, that state. At an early day they came to Tennessee, locating in the Sequatchie Valley, and when the war of 1812 came on the father entered the service of his country. On the close of hostilities he walked from Mobile, Alabama, to his home. Later he removed with his family to Kentucky, but not liking that state he returned to Tennessee. The Indians were living in the lower part of the Sequatchie valley when they first came to this state and the region was wild and unimproved. The father learned the tanner's trade in Fincastle in his early life and was following that pursuit at the time of his death, which occurred on the homestead farm in 1867. He had reached the age of eighty-two years, and his wife passed away several years later at the age of eighty-five. 1871 In his political views he was a Whig and his sympathies were with the Union cause. Both he and his wife held membership in the Methodist Episcopal church and were people of the highest respectability, having the warm regard of all who knew them. Their family numbered twelve children, only three of whom are now living; 8560 Elizabeth, widow of E. Ridley and a resident of Jackson county, Alabama; Sallie, ? 8637 widow of S. A. Rogers, a resident of Marion county, Tennessee; and George W. 8638 Those who have passed away are Valentine, 8552 who died in Polk county, Missouri; John, 8553 who died in Marion county, Tennessee; Polly, who was the wife of Isaac Kersey 8554-59 and died in this county; Melinda, who was 8556 the wife of Saunders Walker and died in Stoddard county, Missouri; Lucinda, who 8558-9 married Isaac Kersey and died in Marion county; Andrew, who died within a mile of 8635 his birthplace; Frederick, who was accidentally 8636 drowned when a boy; David, who 8639 died within a short distance of his birthplace; Daniel, who was drowned in the Sequatchie river.

Dec 10, 1825

George W. Dame acquired his education in the neighborhood of his home. 8638 One of his earliest recollections is of picking peach blossoms for the little girl that charmed his boyish fancy and who in later years became his wife. They attended the same school, lived in the same neighborhood, and on the 9th of October, 1845, the marriage was celebrated which united the destinies of George W. Dame and Elizabeth T. Rogers. 8638 34407 She was the daughter of George Rogers, and was born in November, 1827, within a half mile of her present home. Her entire life has been passed in this locality and for more than half a century she has been to her husband a faithful companion and helpmeet.

Mr. Dame entered upon his business career as an employe in a tan yard, but during the greater part of his life he has carried on farming and stock-raising. His career has been one of industry, enterprise and unflagging perseverance, and in all

matters of business his reputation is unassailable.

8638 Mr. Dame is a recognized leader in matters of public interest, and his influence and counsel have been important factors in molding the public progress to goodly ends. During the muster of the militia he served both as sergeant and captain. For the long period of twenty-five years he filled the office of justice of the peace, discharging his duties with marked fairness, promptness and impartiality. He was also chairman of the county court for many years, and in 1868-69 he represented his district in the state legislature. His political support was given to the Whig party in early life and when the war came on he strongly sympathized with the Union cause and became an advocate of Republican principles. He has since voted for the men and measures of that party, and on political questions is well-informed. Socially he is a member of the Masonic lodge in Jasper, and both he and his wife are members of the Methodist Episcopal church, with which they have been identified for more than half a century. Their upright and useful lives exemplify their belief, and their good deeds have won them the love and confidence of all. The career of Mr. Dame has been characterized by devotion to all the duties of public and private life. He is a man of high intellectuality, broad human sympathies and honorable purpose; honor and integrity are synonymous with his name, and he enjoys the respect, confidence and high regard of the entire community. Although he has passed the Psalmist's span of three score years and ten, his is a useful old age, and when he shall have been called to his reward he will leave to his descendants that priceless heritage of the good name which is rather to be chosen than great riches.

Mr. and Mrs. Dame had a family of twelve children, eleven of whom reached mature years and were married: David V.; 34408 34409 Sarah E., who became the wife of A. J. Quarrels, and died at the home of her parents; 42377 Minerva, who died in infancy; John W., 34410 who is engaged in farming in the Seventh district of Marion county; Mary 34411 A., wife of George Ramsey; Martha M., 34412 who became the wife of James Quarrels, and died in Cole City, Ga.; Nancy Jane, wife 34413 of Alex Rogers; Alex, who is living in Chattanooga; 42381 James B., an agriculturist of Logan 42382 county, Ark.; Laura, wife of Joseph Mc- 42383 Bride, a resident of the Seventh district of Madison county; Kate, wife of Sherman 42386 Warren, also of the Seventh district; and Estelle, wife of Thomas Smith, of Dayton, 42387 Tenn.

34408 David V. Dame, the eldest of this family, acquired his education in the public schools of the neighborhood, and on laying aside his text books began farming on his father's land. He was born on the homestead farm, four miles east of Jasper, December 4, 1846, and during the greater part of his life has devoted his energies to agricultural pursuits. Since 1868 he has resided upon the farm which is now his home, and all of the improvements upon the place stand as monuments to this thrift and enterprise. Industry and energy are numbered among his chief characteristics and his well directed efforts have brought to him a handsome competence which is the merited reward of his labors.

42389

On the 27th of August, 1868, Mr. Dame was united in marriage to Miss Sarah Mitchell, a daughter of George Mitchell, who removed from Alabama to Marion county, and became one of the leading agriculturists of this locality. Mrs. Dame was born in the Seventh district of the county, April 19, 1841, and by her marriage has become the mother of one son, George M., who is still with his parents. Mr. Dame and his son are members of the Methodist Episcopal church, and Mrs. Dame holds membership in the Cumberland Presbyterian church. Their home is noted for its hospitality and the members of the household occupy an enviable position in social circles.

Mr. Dame is one of the most prominent and stalwart Republicans of the county. He has studied broadly the issues and questions affecting the welfare of the country and his views are the result of earnest consideration. He is now chairman of the Republican central committee of Marion county, also of the executive committee, and his able management in the organization of campaign forces has resulted in some notable Republican victories. He is a loyal and worthy citizen who has the interest of his county at heart, and with liberal hand does he contribute to the support of all measures and enterprises intended for the public good. Socially he is connected with the Olive Branch lodge, of Jasper, since 1869, and is a worthy exemplar of that benevolent and time-honored fraternity. In 1876 he represented his lodge in the grand lodge, and again in 1893 and 1894. His career has been marked by the strictest integrity and faithfulness to every trust reposed in him and his record is unclouded by shadow of wrong. He is known as an honorable man, a pleasant, social companion, and a devoted husband and friend. There is also particular satisfaction in reverting to the life history of the honored and venerable gentleman whose name initiates this review, since his mind bears the impress of the historic annals of the state through seventy-five years, and from the fact that he has been a loyal son of the republic and has attained a position of distinctive prominence in the community where he was born and where he has retained his residence to the present time, being one of the revered patriarchs of the community.

WILLIAM H. SMITH.—Among the farmers in the prime of life in Sequatchie county, a good station has been attained by the gentleman above named, whose career has been marked with energy, prudence and persistent effort. His well-directed labors have resulted in the attainment of a good farm on the east side of the Sequatchie Valley, in Sequatchie county, where he is surrounded with those improvements and home comforts which make life enjoyable.

Mr. Smith was born December 12, 1863, the fourth child in the order of birth of a family of thirteen children, born to Dr. and Mrs. Starling Tried Smith, a sketch of whom appears on another page of this volume. He was educated in the public schools of Dunlap, and, after completing his course of study, combined farming and teaching school for a number of years. In political

Mr. W. Monroe Oyler

Dear Mr. Oyler:

I recently discovered the book entitled The Story of Marion County Its Peoples and Places in our local genealogical library. It was the first time I had seen a summary of the Oyler family of Marion County TN.

I asked the folks at the Marion County Historical Society to give me your address after I read your delightful report on the Oylers. I hope I have not infringed on your privacy.

My maternal grandmother was Laura Dame McBrayer, daughter of George W. and Elizabeth Rogers Dame of Marion County. George W. Dame was the son of John Dame and Elizabeth Oyler Dame who, according to your account, moved to Marion County TN about 1813 with her brother and sister-in-law, Frederick Oyler and Nancy Cochran Oyler.

Would you be willing to share some of your information with a distant cousin?

I enclose for your perusal, and disposal if you choose, a copy of my pedigree chart back to George W. and Elizabeth Rogers Dame. I grew up in Chattanooga TN, worked for The Dow Chemical Company for 30 years, retired in 1982, worked with my wife's CPA firm for ten years, and retired in 1992. We live in Houston TX, but spend the summers here in Vermont

MR. AND MRS. JOHN DAME, CELEBRATE GOLDEN ANNIVERSARY

A large rece~~i~~ption to which friends and relatives were invited was given by Mr. and Mrs. Frank Miller and Mr. and Mrs. 43432 Walter Dame, at the home of the former on the Ebenezer Pike, Tuesday afternoon and evening, in honor of their parents. Mr. and Mrs. John 34410 Dame, who on October the seventeenth were wed fifty years. 1922.

Quantities of cut flowers were used to decorate the rooms. In the dining room the golden color predominated the table being ornamented with a large center piece of yellow dahlias, around which were placed gold candle sticks in which yellow tapers were burning. The color scheme was also carried out in the refreshments, the cakes and ices being of golden color.

Mr. and Mrs. Dame were the recipients of many beautiful presents. About sixty guests called between the hours of three to nine to extend congratulations and wish them many happy returns of the day.

Those from here, were: Mrs. M.V. Coffelt, Miss Estelle Coffelt, Mr. and Mrs. Ellis North, Mr. and Mrs. S.T. Haskew, Mrs. D.Y. Conatser, Mrs. B. R. Braden and Mr. and Mrs. D.A. Tate.

MOST ESTIMABLE LADY PASSES ON

On last Sunday morning at 9 o'clock the spirit of one of our oldest and most respected frineds passed to its reward.

42410 34410

Mrs. Rebecca Elmina Dame, wife of J.W. Dame, who with her husband were making their home with their only daughter, Mrs. Frank B. Miller, and her husband, three miles east of Jasper. 42430

42428-9

Mrs. Dame was born December 2, 1851, and was a daughter of Phillip and Rebecca Bible, who were among the first settlers of the Battle Creek section of this county.

Mrs. Dame professed religion and joined the Methodist Episcopal church in her youth and lived a consistent christian all her life. To know her was to love her— her every act and word seemed to be an expression of love. If she had an enemy in the world the writer never heard of it. Her life was a mission of love. With her, as Drummond would say, "The greatest thing in the world is Love."

Surviving Mrs. Dame are her husband, J.W. Dame, and two children, Mrs. Maud Miller and Walter Dame, of Dove.

Mrs. Dame and her husband were married October 17, 1872. Four years ago they celebrated their golden wedding when many of their friends and acquaintances met and expressed kindest felicitations.

Mrs. Dame has been a sufferer for many years and at time her sufferings could scarcely be endured, but after all this she wore a smile instead of a frown. She took much delight in children and young people and gave good instruction. She came of a large family who are nearly all gone. The only survivers of her immediate are two brothers, J.M. Bible of Comfort, and W.N. Bible of Chattanooga.

Interment took place at Pleasant Grove two miles east of Jasper, Monday afternoon at 2 o'clock, Rev. Atheron, her pastor, officiating. A large assemblage of friends and acquaintances were present to pay their respects to this noble woman. Her life and presence is gone, but her influence is going on and on.

Monrose I didnt follow thru on my children. They have all been married several times & it is a mess. But they are mine & I love them to pieces. They are really sweet, lovable, hard working children. Except for making a habit of marrying, Ive never had any trouble with them. In an age where children drink, dope, etc I feel really lucky. I have 5 grandsons 3 great grandson + 2 greatgrand daughters.

I have 1 granddaughter in law who is Romanian been here 8 yrs. 1 granddaughter in law who is Indian, Her tribe is from Chimao N.M. near Santa Fe.

Well I'll close. Let me know if there is more you want.

What kind of book are you doing. When will it be released. Will it be for sale. etc etc. Price?
